Automatic dish detergent for sparkling clean dishes, glassware, and silverware

- Hard-working, caustic-free detergent for use in household mechanical dishwashers
- Chlorinated formula emulsifies grease without excessive foam
- Keeps dishes and utensils free from water marks, spotting, and streaking
- Contains less than 0.5% phosphorus to meet state phosphate restrictions

Directions

For large loads and in hard water, add one full scoop of HYTRON® into the detergent dispenser.
For small loads and in soft water, use a little less HYTRON®. Use hot water for all loads.

FOR BEST RESULTS...

- Follow manufacturer's instructions to check for dishwasher safe items.
- Load dishes facing the center.
- Do not completely block spray arms.

PRESOAKING...

- Soak heavily soiled items in 1 tablespoon of HYTRON® to 1 quart of hot water (do not soak cast iron or silverware).

* The number of dishwashing loads stated on this package may vary, depending upon the make and model of your dishwashing machine and the level to which you fill the detergent dispenser.

Chemical Characteristics

Appearance	White Powder
Biodegradable	Yes
Corrosive	Yes
DEA-Free	Yes
Fragrance	Chlorine
Non-Flammable	Yes
NPE-Free	Yes
NSF Certified	No
pH (1% use solution).....	12.0-12.5
Phosphorus	Yes
VOC Compliant.....	No

Ingredients
